

General instructions for doing Mini-Project

1. Create an online application using Front-end & Back-end.
2. An application consists of minimum 5 dynamic webpages with validation and database connectivity (connect with any available database at your end).
3. Make a PowerPoint presentation for 5 minutes with objective of the project, flow diagram of the project and executed screenshots with data.
4. The pdf format of presentation should send through mail to the respective internal guides **on or before** viva voce date.
5. Mini project viva-voce to be scheduled for individual presentation. The internal guides allocated for the respective group of students are given in the following table.
6. Also find the viva-voce links and the timings of respective groups.
